Jones County Public Health Emergency Preparedness Plan Request For Proposals

November 29, 2021

The purpose of this request for proposals is to allow the Jones County Board of Health and Jones County Public Health (JCPH), to identify and solicit vendors of equipment identified as needed, as part of the Public Health Emergency Preparedness (PHEP) plan.

Sealed bids will be accepted until 3 P.M., Thursday, December 9th, 2021, at the Jones County Public Health office, located at, 105 Broadway Place, Ste 11, Anamosa, IA, 52205. All bids should be addressed, "PHEP AED Bid", to avoid being opened with regular mail received.

Submissions received after 3 P.M., Thursday, December 9th, 2021 will not receive consideration.

Received bids will be opened at the Jones County Board of Health meeting on, Thursday, December 9th, 2021. (Start time scheduled for 7 P.M.)

The equipment quote request are for the following:

- A. Nine (9) fixed AEDs, (automated external defibrillator), each to include;
 - wall mounted cabinet,
 - wall sign,
 - adult and child capabilities,
 - minimum two-year (2) warranty or shelf-life,
 - specified new or refurbished
- B. Sixteen (16) portable AEDs, (automated external defibrillator), each to include;
 - adult and child capabilities,
 - minimum two-year (2) warranty or shelf-life,
 - window decal for vehicle,
 - specified new or refurbished

A bidding vendor may submit a bid for individual OR multiple items from the above list. However, an assigned line cost corresponding to the above list should be used.

Bidders should note the following conditions:

- An acceptance of bid by the Board of Health is not a guarantee of purchase from Jones County Public Health or other entities of the county.
- The project and purchase of listed equipment requires final approval from the Iowa Department of Public Health, (IDPH).
- If approved by IDPH, order confirmation will be sent to the selected bidding vendor.
- In the event of a partial approval from IDPH, the required items and/or quantities may be changed. (+/-).
- Payment for goods will be made after receipt of the equipment by Jones County Public Health.

What is PHEP?

“In response to the deadly events of September 11, 2001, and the subsequent anthrax attacks, Congress established a new program to help health departments across the nation prepare for emergencies. Since then CDC’s Public Health Emergency Preparedness (PHEP) program has partnered with state, local, and territorial public health departments to prepare for, withstand, and recover from potentially devastating public health emergencies.”
